

07-21-84

On 07-08-84 I was requested by Donna Gentile to be a character reference for her probation hearing. On 07-10-84 I contacted probation officer Burgenbach, she advised me that she was amazed that Donna Gentile would only be getting 45 days with all of the priors (6) that she had. She further stated that with good time off it would be reduced to 30 days. I first met Donna Gentile 3 years ago on a Police Department Authorized ride along. In dealing with her she has always cooperated with the police, she does not have a history of using drugs.

I feel that Probation would be more beneficial than incarceration. I understand at this time that Donna Gentile is presently employed as a Security Officer and has not been seen working the streets.
