## Woman's body found

PINE VALLEY — The nude body of an unidentified white female was found here Sunday evening by Deputy Sheriff Don Sellers.

Sellers was out exercising his dog when he discovered the corpse two miles north of I-8, about 300 yards southwest of Sunrise Highway, according to a Sheriff's Department spokesman.

Lt. Bill Baxter yesterday said that authorities had not yet identified the woman, who appeared to be approximately 25 years old. Sellers discovered the body at about 8 p.m. Sunday.

There was no evidence of a struggle nor were any weapons found. An autopsy was scheduled to be performed late yesterday.
